### *Suite 'Jacques Coeur'* *For a Larger and comfortable accommodation*

Enjoy it like the masters of this house did, during the last centuries.  
Access directly to the garden, and rest on the terrace among the Roses.

From the windows you will have an exceptional view of the pretty valley of the Indre, the fact that the House is located on the ramparts of the small fort Saint Ours, overlooking the town, makes us forget we are in the center of the medieval city of Loches - en - Touraine  
The private sitting room has a direct access to the terrace and the " French style rose garden", where comfortable sunbathing teak lounge chairs await you ... An outburst of colors and scents ... in summer ...!

**A Renaissance house had to be romantic, and very close to human senses.**  
**Like the famous Six tapestries of the Lady and the unicorn : Smell, sight, taste, hear, touch,**

and "desir"..

**This bed and breakfast Suite bedroom enhance the spirit of the Argentier du Roy way of life.**

This small extra lounge of 20 m² ( 215 sq.ft ) adds extra comfort to the ' Jacques Coeur ' bedroom for 2 people.

But it can also be used to make a family suite ensuring more privacy for all.

Central of the House, its elegant white marble fireplace, real hardwood oak floor, and its high ceiling painted a beautiful blue-gray slightly cloudy sky colour.

With romantic tapestries and paintings on the walls.

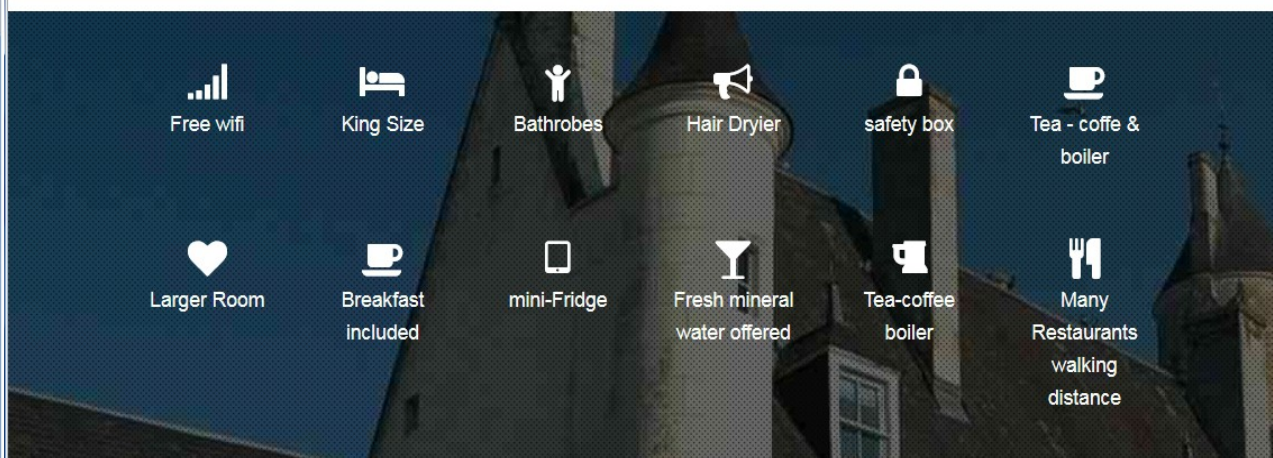

Everything invites to dream ... or reading, as the room is afforded a new additionnal space ..

Emphasize comfort, and wellbeing, tranquility and serenity, the discreet charm of an authentic home ... and enjoy the best life has to offer, sometimes .

*Largely open among the valley, the garden was always, since Renaissance times, a real "private garden", for your eyes only...  
Roses colors dispatching fragrances in the green vegetal sculptures of yews*

*and boxwoods... French formal garden helps to the French "Style of Living well", and the "Art of Living"*
